Contact information

Email	<input type="text"/>
Private address	<input type="text"/>

Main office information

Institute/University	<input type="text"/>		
Address	<input type="text"/>		
Phone	<input type="text"/>	Mobile	<input type="text"/>

Doctoral project

Title/topic	<input type="text"/>		
	<input type="text"/>		
Location of research	<input type="text"/> country	<input type="text"/> region	<input type="text"/>
Expected duration of doctoral project	<input type="text"/> (mm/yyyy)	<input type="text"/> (mm/yyyy)	

Master degree (if applicable)

University	<input type="text"/> (name/city/country)		
Program title	<input type="text"/>		
Institute	<input type="text"/>	Date of degree	<input type="text"/> (dd/mm/yyyy)

Bachelor degree

University

(name/city/country)

Program title

Institute

Date of degree

(dd/mm/yyyy)

Experience with participatory/ transdisciplinary methods & professional interaction with non-academic actors

Have you had any experience in the application of participatory/ transdisciplinary methods? Please explain the context in which you applied participatory methods.

Have you had any experience working with non-academic actors, either as part of your current work or previous professional experience? Please explain.

Note: Experience with participatory/ transdisciplinary methods & professional interaction with non-academic actors is important information to us for tailoring the programme but not relevant for the selection procedure!
